

Be Ready Rebate Program

Receive a \$75 rebate as a bill credit for having a licensed plumber perform a plumbing checkup at your home to prepare for winter!

NOTE: Receipts or invoices from repair service companies or individuals without a valid plumbing license will not be accepted.

Your Name, Address and Contact Information

Full Name	
Street Address	
Zip Code	
Email *	
Mobile Number **	
SAWS Account Number	

* SAWS will send a confirmation via email after you submit your plumber invoice and may contact you via email if there are questions.

** A SAWS Conservation staff member may call you and/or your licensed plumber if there are questions about your plumbing invoices.

Questions

Type of Work Performed by the Licensed Plumber:

☐ Plumbing Inspection Only
☐ Plumbing Winterization
☐ Both

Did Your Licensed Plumber Find Leaks? ☐ Yes ☐ No

Did You or the Licensed Plumber repair the leaks? ☐ Yes ☐ No

If the leaks were not repaired, please explain:

Do you have an irrigation (sprinkler) system? ☐ Yes ☐ No

Do you have a pool? ☐ Yes ☐ No

Please attach fully paid, licensed plumber invoice, and completed checklist for inspection/winterization to this application and mail to:

Rebate Agreement

We appreciate your interest in the **SAWS Be Ready Rebate** (BRR). This program is designed to help eligible customers find leaks and prepare their plumbing for winter. By applying for the BRR Program, you agree to and acknowledge the following:

- Applications are accepted on a first-come, first-served basis. Limit 2,000.
- I confirm that the SAWS residential water account is in my name and I have authority at this property to accept and implement this program.
- SAWS does not in any way endorse or promote or guarantee the work of any plumbing company. Due diligence in hiring a plumber is the sole responsibility of the SAWS customer. SAWS is not responsible for damages caused by the plumber.
- I understand that winterizing my pipes is not a guarantee that the pipes will remain sound under all weather conditions.
- SAWS is not responsible for the plumbing or water bill at this home because of this program activity now or in the future.
- I understand I must use a licensed plumber.
- The \$75 bill credit is not expected to cover all the costs of the plumber's visit.
- The plumbing inspection and work must be completed between Nov. 8, 2021, and Dec. 20, 2021.
- The customer certifies that all information and support material submitted to receive the bill credit including invoices and the **plumber checklist** are real and accurate. SAWS may contact the plumbing company to confirm the information.
- The customer understands that this rebate is in the form of a credit on their water bill and may not be disbursed before an acceptable invoice and checklist are submitted and approved.
- This rebate will only be issued in the form of a credit toward the bill and may take up to 2 billing cycles (about two months) from the time the application is approved to show up on the bill. Limit one rebate per household.
- Customers are responsible for paying the bills as presented on time regardless of the rebate status.
- Program availability may be subject to budget limitations.
- I understand that I may be contacted in the future for a follow-up survey.
